### Hilary Cabernet Sauvignon

winemaker video

- 100% Cabernet Sauvignon from a prestigious historic vineyard in Oakville, Napa Valley.
- Aged for 18 months in tight grained French Oak barrels, of which 85% are new.
- This wine offers extreme value compared with many of the neighboring wineries which sell their Cabernet for three times the price.
- Hilary Cabernet is dry farmed and produces less than 2000 cases.
- Stylistically the wine pays homage to the great Napa Cabernets of the 60's, and is harvested at lower sugar levels while retaining power and depth.
