

GOTAS DE MAR

Godello Fermentado en Barrica

2022

DO Ribeiro

Our vineyards benefit from the proximity to the Atlantic coast and the embrace of the Miño river. This is our Godello's home, a little known variety that is gaining a lot of prestige. The "sábrego" terroir and the Atlantic climate give a strong minerality to this wine. 8 months in new Oak barrels add the final touch to a unique and magnificent wine.
