Twenty Rows Napa Cabernet Sauvignon

- The base of our Cabernet Sauvignon comes from the deep, intense fruit from the mountains in the Mount Veeder appellation in southern Napa Valley.
- You can describe our Cabernet as full of dusty wild berry flavors with notes of cedar, sandalwood and mocha.
- We also find great vineyards in northern California to enhance our mountain fruit, and will add blend in vineyards from surrounding appellations to finish our Cab.
- Our Cabernet will have a silky soft texture, and layers of velvety rich tannins.
